AUG 0 5 1999

Mayor James Matayoshi
Rongelap Atoll Local Government Council
Republic of the Marshall Islands
P.O. Box 1766
Majuro, Marshall Islands 96960

Dear Mayor Matayoshi:

The Security Office at Lawrence Livermore National Laboratory (LLNL) has requested additional information for Messrs. Jackie P. Kijrik and Erickson Arelong. This additional information is needed to comply with new heightened security procedures that have been effected at LLNL.
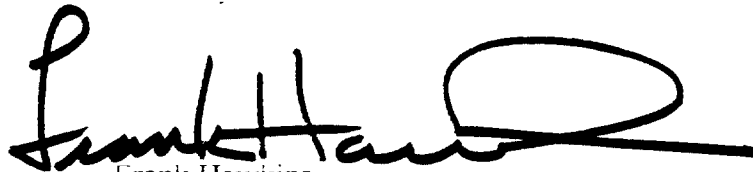

LLNL is requiring the following information for each of the two whole body counting (WBC) trainees in order to complete the IA473 entry access request:

1. Full Middle Name (if applicable)
2. Current Residence Address
3. Passport Expiration Date
4. Personal contact phone, telex, or fax number. (i.e., local contact numbers in Majuro)
5. Name and Address of Current Employer. LLNL will assume "RALGOV", but please provide a working address for each WBC trainee)
6. Title, Position, or Description of Job Duties for Employer. (LLNL can put "WBC Technician" if they don't have an official title)
7. Kind of Business or Organization of Employer (i.e., government, laboratory, university?) LLNL assumes an answer "Rongelap Atoll Local Government "
8. Field of Research. LLNL plans: "Whole Body Counting /Occupational Monitoring"
9. Personal Medical Insurance. LLNL needs to be advised by RALGOV that both trainees will be covered by Rongelap provided medical insurance while they are in training in case of a medical emergency

We apologize for these last minute requests. The information is required by August 18, 1999, if the WBC training is to proceed as scheduled. Please provide this information to Dr. Terry Hamilton by phone (925) 422-6621, facsimile (925) 423-6785, or E-mail **hamilton18@llnl.gov**.

Sincerely,

Frank Hawkins
Director
Office of International
  Health Programs
